ABOUT

My name is Rafael Reyes and I work in Bilbao in Spain. Bilbao is a big city with 345,000 people. It's rainy here and the city has an interesting history. I'm a receptionist in an office in the centre of Bilbao. My office is in a nice part of the city. It's near a big park.

My home isn't in Bilbao. It's in Lekeitio. Lekeitio is a small town near Bilbao with about 7,000 people. It's a nice town with a park, two supermarkets and a hotel. I'm married to Maria and we have two children.

Our house is in the centre of Lekeitio. It's a small house and it's new. It isn't near the park, but it is near one of the supermarkets. I'm very happy here. I have a lot of friends in Lekeitio and in Bilbao, and my job isn't boring!

MEALS IN ITALY

My name is Maria and I'm Italian. In Italy, people eat different kinds of food. We like pasta and pizza, but we don't eat them every day. We like a lot of different meat and fish. And we eat a lot of fruit and vegetables.

In my family, we have three meals a day. Breakfast is at eight o'clock. We eat *fette biscottate*, a type of breakfast bread, and have coffee with milk. Italian people usually drink a lot of coffee!

On work days, my lunch is always at one o'clock. I never have lunch in my office. I usually have a *panino* (that's a sandwich) or a slice of pizza with my friends in a café near the office. At the weekend, I have lunch at home with my family.

Dinner is the big meal of the day for a lot of Italians. In my family, we always have dinner at half past eight. We have rice or pasta, then fish with vegetables. We don't eat a lot of meat. After dinner, we usually have fruit and coffee, but at the weekend we sometimes have cake.

Hi Zeynep,

Thanks for your email. I love the photos of your family. You have a big family! My family is small. Here's a photo of us on holiday.

I'm with my husband, Greg, our daughter, Linda, and our son, Jeff. My parents, Tom and Elizabetta, are in the photo, too. My dad is American. He's from San Francisco, but my mother comes from Melbourne in Australia. Greg and I live in Washington with our children. Greg works in an office and I'm a teacher (as you know). Hi Lara,

We're at the Station Hotel. It isn't a big new hotel near the station – it's an old station near the beach! It's great! The rooms are small, but they're very good.

Our room is on the first floor. We have beautiful flowers in the room and there are a lot of pillows and blankets on the beds. It isn't cheap, but we're only here for three nights.

There are a lot of people here. There aren't any free rooms! All the people are very friendly and the manager's nice. In the evenings, we have dinner in the Old Station restaurant. It's in the hotel. The food is good and an old man plays the guitar.

University Life

University is expensive in the USA and students also need to pay for course books, food and a place to live. A lot of students work to get extra money. Is it a good idea?

We ask a student.

Claudia, 23

I'm a student in New York, but I'm from Barcelona. I love my course, but New York is expensive, so I work in a cinema in the evenings and on Saturdays.

My day usually starts at 7:45 am when I get up and have breakfast. Then I go to my classes at the university. They start at 9:00 am and finish at 12:30 pm. There aren't any classes in the afternoon so I study in the university library. I have something to eat in the student restaurant and I walk to the cinema. My working hours are 6:00 pm to 11:30 pm from Monday to Friday, and 1:30 pm to 11:30 pm on Saturdays. Sunday is my free day and I play tennis or go to a museum with my friends.

My job is OK, but I don't want to work six days a week. I get home late and I only get six or seven hours' sleep. Sometimes, I feel very tired in my classes and I want to sleep, which isn't good.

- b ☐ Where I buy my clothes
- c ☐ What I wear for special occasions
- d ☐ My work clothes

- 2 The police officers' yellow jackets are useful.
- 3 Martin's friends like fashionable clothes.
- 4 His favourite colour is brown.
- 5 He has an expensive suit for special events.

c Choose someone you know. Write a description of their clothes. Think about these questions:

- What clothes do they wear at different times of the day and different days of the week?
- What are their favourite colours?
- Where do they buy their clothes?

MY CLOTHES by Martin López

- 1** I don't have to worry about my work clothes. I'm a police officer and I have a uniform. I like the uniform. We wear a dark blue jacket, dark blue trousers and a white shirt. We also have big yellow police jackets to wear when we're outside in the street. These jackets are very useful because people can see that we are police officers.
- 2** I'm not very interested in fashion. My wife Luciana says that my clothes are boring, but most of my friends' clothes are the same as

mine! When I'm not at work, I like to wear comfortable clothes, for example, jeans and a T-shirt or a jumper. I don't really have a favourite colour, but I try not to wear dark blue because it's the colour of my uniform. My favourite item of clothing is my old brown jacket.

- 3** I don't have many expensive clothes, but sometimes I go to special events, for example, when friends get married and I need to wear something nice. I have a suit by the designer Tom Ford. It has dark grey trousers and a matching jacket. I usually wear this with a white shirt and tie.
- 4** I usually go shopping with Luciana. We both like to go to the shopping mall in the centre of town. It has a lot of shops and it's easy to find things. My favourite shop there is H&M. The clothes in H&M are usually comfortable and they aren't very expensive. I buy all my clothes there, but Luciana's favourite shop is Urban Outfitters.

FRIDAY 9TH JAN

I had a bad day at work. The office was really busy. I was so happy to get home. My roommates, Emma and Sara, wanted me to go to the theatre with them, but I was tired. They went out, but I watched an old film on TV in my bedroom. It had a great story, but I fell asleep and don't know how it ended.

SUNDAY 11TH JAN

I got up late and had a long bath. Then I watched a programme about Mexican cookery. I was hungry after the programme, so I made a cheese sandwich – my favourite! I met Marta in town for a coffee and then we went shopping. I bought a suitcase for our holiday in Cagliari and Marta got some books. At 6:00, we met Emma and Sara for a pizza. We were in the restaurant until 10:00!

MONDAY 12TH JAN

I got up at 4:00 this morning. I was really tired, but our plane to Cagliari was at 6:30. I went to the airport in a taxi. Marta was already there with the tickets. It only took an hour to travel from Rome to Cagliari. We had breakfast on the plane. Then Marta read one of her new books and I looked out the window. We had a tour of Cagliari today and now we're at our hotel. It's lovely!

@ YOUSSEF'S PLACE, MARRAKESH

Last year, we ¹*don't have / didn't have / didn't had* a holiday here in the UK. We went to Morocco. We ²*don't stayed / weren't stay / didn't stay* at a hotel – we camped at 'Youssef's place' near Marrakesh. We had a big tent with two beds. The campsite was very beautiful and there were a lot of great people there. (We ³*didn't meet / didn't met / don't met* Youssef, but we met his brother!)

Youssef's place isn't in Marrakesh – it's about 40 minutes from the city. We ⁴*not drove / didn't drove / didn't drive* there – we took a taxi. Marrakesh is an exciting city, but we ⁵*didn't go / don't went / didn't went* there every day. We visited small towns and villages near the campsite and walked in the mountains.

The holiday wasn't expensive. The tent cost \$30 a night and we usually cooked our meals in the campsite kitchen. But we ⁶*don't cook / not cooked / didn't cook* every night! We visited some great restaurants and cafés in Marrakesh.

Harry, 35

Four years ago, I went to Bristol for a job interview. Train tickets are expensive in the UK, so I went by bus. The journey was about five hours. I didn't have anything to read so I started talking to the woman in the seat next to me. Her name was Ana. We got married last year and now we have a baby boy!

Monica, 27

I was in Canada on business and I had some free time, so I flew to Vancouver to visit my friend Chloe. I didn't tell her because I wanted to surprise her. I arrived, but Chloe wasn't at home. The man in the flat next door said she was on holiday! I got a taxi back to the airport, but it started to snow. There were no flights, so I slept at the airport. It was awful!

Lucio, 20

For our holiday, my friend and I decided to spend a week at the beach. We found a nice hotel online and paid for our room. It was a long drive and we arrived late at night. Then the receptionist said she didn't have a room for us at the hotel. We were so tired! We went to the beach and slept under the stars. The next morning, we realized we went to the wrong hotel!

Hi Samuel,

Thanks for your email. It was good to hear from you.

I started university here in Buenos Aires six weeks ago and it's going really well. The university's fantastic and Buenos Aires is an exciting city. It's also an expensive city. I'd like to find a job in a shop next year because I really need some money!

As you know, I'm studying IT. It's a really interesting course and the teachers are good. There's a lot of work to do, but there are also a lot of things to do in my free time. I'm learning to dance and I can now play volleyball quite well.

I'm making some new friends here. Santiago and Annette are really nice. I met Santiago at my dance class. He's a language student and he can speak Spanish, Italian and German very well. He's also a good dancer and he helps me in the lessons. Annette is studying IT and we met in the university bookshop on the first day. We often study together in the evening.

The people here are really nice, but I miss my family at home. I miss my friends, too. Write again soon!

Best wishes,

LAST NIGHT'S TV

People's Lives is a popular TV programme on Channel 12. The programme helps people find out about their family history.

Last night, the programme was about Olivia Noon and her grandmother, Elsa. Olivia didn't know her grandmother well because Elsa died when Olivia was two years old. *People's Lives* found out that Elsa was from Dundee in Scotland. She was born there in 1922 and had six brothers and sisters. The family was poor and Elsa went to Edinburgh when she was 17. She got a job in a hospital there.

Elsa worked at the hospital for six years. Then she studied at university to be a doctor. She was 32 when she finished university and 33 when she married Olivia's grandfather, James. James was a businessman from Cambridge.

Elsa and James were very happy for three years and they had a son, but then James died.

Elsa left Scotland and went to South Africa on a ship with her son. She worked as a doctor there and started a hospital for women. In 1972, Elsa returned to Dundee to teach at a university there. She taught students who wanted to be doctors. Elsa died in Dundee in 1984.

It was an interesting programme and Olivia was very happy to know more about her grandmother. Next week, it is George Freeman's turn to find out about his grandparents. Don't forget to watch!

- RECEPTIONIST** Good morning. Can I help?
HARRY Hi. I'd like a hotel room for the weekend.
R Well, there are a lot of different hotels and they have different prices.
H I'd like a room for one person near the beach.
R Hmm, it's summer and there aren't a lot of free rooms. The Hotel Casa is near the beach. They have rooms with baths for \$160 a day and breakfast is free. The rooms have TVs and free wi-fi, and there's a good restaurant in the hotel.
H It's very expensive and I don't have a lot of money.
R Well, there's the City Hostel near the station. The rooms are small, but they're clean and a room for one person is only \$40.
H That's cheap.
R Yes, it is. There are showers in all the rooms and wi-fi in the café on the ground floor, but you have to pay for the wi-fi. A lot of backpackers stay there and it's very friendly.

- H** Is there a restaurant?
R No, there isn't. But there's a café and there are two supermarkets near the hostel.
H OK.
R Do you want me to phone the hostel?
H Yes, please.

ALEX What are you doing, Camila?

CAMILA Hi Alex. I'm working.

A You're looking at job websites! I hope your manager doesn't see you.

C He isn't in the office.

A Good! Let me see the website. Look! There's a job for a singer on a ship ... but you can't sing. Oh, and there's a job for a chef on the same ship. You're a fantastic cook.

C Just one small problem. I can't swim so I don't want to work on a boat.

A Well, what about this job as an English teacher in Mexico? You speak Spanish and you love travelling.

C But I can't teach and I don't want to live in a really hot country.

A Oh, right. Well, an IT company in Manchester wants a receptionist.

C I don't want to work in another office.

A How about this job as a tour guide? You take people on bus tours around York.

C Hmm ... Sounds interesting. What do they want?

A Someone who knows a lot about York and who can speak English and another language.

C Well I was born in York, so I know a lot about it, but I can't drive.

A You don't drive the bus. You just talk to the passengers.

C Oh, right. Well, that sounds interesting. I'll phone the tour company this afternoon!

A Shhh! Your manager's coming back.

A Hmm, sounds quite interesting. What about your sister?
B She isn't going to come with us. She wants to stay at home.

MARTA Hi, Lucas. Can you hear me?

LUCAS Hi, Marta. Yes, I can see you and hear you.

Where are you now?

M I'm in Los Angeles for three days. I took the bus from San Diego yesterday.

L What are you going to do there?

M Well, today after breakfast, I'm going to visit a film studio and go shopping in Rodeo Drive.

L Wow! Rodeo Drive is expensive.

M I just want to look around. Maybe I'll see someone famous! What about you?

L It's not raining here, so I'm going to take the dog for a walk. Then I'm going to have dinner and read a book.

M What about Mum and Dad? Are they at home with you?

L Mum's here, but she's in the shower. She's going to meet some friends later and go to the cinema. Dad went out a few minutes ago. He's going to play tennis with Uncle Rafa.

M Oh, right.

L Anyway, tell me the rest of your plans.

M Well, tomorrow morning I'm going to go to the beach and in the afternoon I have a ticket for an American football game. But Thursday is the best day. I'm going to spend the day at Disneyland!

L Wow! That sounds fantastic.

M It is – America is great! After Los Angeles, I'm going to take a bus to Las Vegas, and after that, Dallas and New Orleans.

L Well, have a good time.

M Thanks, Lucas. Tell Mum and Dad I'll phone them tomorrow.

L Will do! They'll be happy to hear from you. Bye!

M Bye!

Hi Jaime,
Thanks for your email. I'm in Florence at the moment. I'm studying English at a small language school in the city centre. It's going OK, but it's quite difficult for me to learn all the new words. The pronunciation is also difficult, but the lessons are always fun because the teacher's very good. His name's Christian and he's from Naples.

There are nine students in my class. We all come from different countries. We usually meet for a coffee in the morning. It's a good time to practise English.

Goodbye for now.

Write soon!

Corpus

Development of this publication has made use of the Cambridge English Corpus (CEC). The CEC is a computer database of contemporary spoken and written English, which currently stands at over one billion words. It includes British English, American English and other varieties of English. It also includes the Cambridge Learner Corpus, developed in collaboration with the University of Cambridge ESOL Examinations. Cambridge University Press has built up the CEC to provide evidence about language use that helps us to produce better language teaching materials.

English Profile

This product is informed by English Vocabulary Profile, built as part of English Profile, a collaborative programme designed to enhance the learning, teaching and assessment of English worldwide. Its main funding partners are Cambridge University Press and Cambridge Assessment English and its aim is to create a 'profile' for English, linked to the Common European Framework of Reference for Languages (CEFR). English Profile outcomes, such as the English Vocabulary Profile, will provide detailed information about the language that learners can be expected to demonstrate at each CEFR level, offering a clear benchmark for learners' proficiency. For more information, please visit www.englishprofile.org.

The Cambridge Advanced Learner's Dictionary is the world's most widely used dictionary for learners of English. Including all the words and phrases that learners are likely to come across, it also has easy-to-understand definitions and example sentences to show how the word is used in context.
